November 02, 2017

INVITATION LETTER

Dear Sir/Madam,

I kindly invite you to participate at the International conference "Health and personality development. Practical defectology: routes for helping children with disabilities" organized by Department of Education and Science of the Kemerovo region and Kuzbass Regional Center of Psychological, Pedagogical, Medical and Social Care "Health and Personality Development".

The International conference will take place from 6 to 7 December 2017 in Kemerovo, in Kuzbass Regional Center of Psychological, Pedagogical, Medical and Social Care "Health and Personality Development", Lenina prospect 126a.

The purpose of the conference is to exchange practical-oriented information in the field of working with children with developmental disabilities and health problems, establish inter-state contacts, search and reveal modern tendencies of solving scientific and practical problems and marking with newer practices in the field of defectology and clinical psychology.

The general theme of the conference will be discussed at a plenary session, a number of sections, master classes and round tables. The conference program will be available after 15 November 2017. The registration deadline is 25 November 2017.

For all relevant information about the conference please refer to the following website: www.kemvaleo.ru.

We look forward to your participation.

Kuzbass Regional Center of Psychological,
Pedagogical, Medical and Social Care "Health and
Personality Development"

PhD, Professor Irina Sviridova
Director
